Complete an online application form at www.natsihwa.org.au/membership

Aboriginal and/or Torres Strait Islander persons are advised that this brochure may contain images of people who have passed away.

The National Aboriginal and Torres Strait Islander Health Worker Association (NATSIHWA) is a national peak workforce association committed to ensuring Australia's health care system meets the needs of Aboriginal and Torres Strait Islander People.

We:

- » deliver and collaborate on initiatives to promote, professionalise and expand the Aboriginal and Torres Strait Islander Health Worker and Health Practitioner workforce
- » recognise, address and promote the social and cultural determinants of health
- » establish and maintain networks, partnerships and alliances with key government agencies, other Aboriginal and Torres Strait Islander organisations, researchers, academic institutions, and other national health bodies
- » participate in a range of key strategic initiatives to influence the design and delivery of policies, programs and services
- » role model the benefits of community control and self-determination and
- » implement rights-based best practice principles and approaches.

NATSIHWA

- » Lifts your profile as an Aboriginal and/or Torres Strait Islander Health Worker and Aboriginal and/or Torres Strait Islander Health Practitioner
- » Promotes the importance of culturally safe and respectful health services
- » Aids your organisation in developing a scope of practice for your specialist professional role
- » Provides opportunities to improve your knowledge and skills
- » Develops policies and position statements and acts to strengthen your workforce
