About NATSIHWA

Improving the health and wellbeing of Aboriginal and Torres Strait Islander people is at the heart of NATSIHWA's work and it's at the heart of your work.

You are the front line but we seek to support you, so that together we can work for better health outcomes.

NATSIHWA was established in 2009 and is still the only national professional body for Aboriginal and/or Torres Strait Islander Health Workers and Health Practitioners.

NATSIHWA

- » Lifts your profile as an Aboriginal and/or Torres Strait Islander Health Worker and Health Practitioner
- » Promotes the importance of culturally sensitive and respectful health services
- » Aids your organisation in developing a scope of practice for your specialist professional role
- » Provides opportunities to improve your knowledge and skills
- » Develops policies and acts to strengthen your workforce

Benefits of Membership
